

BESTWOOD PARK DAY NURSERY NEWSLETTER

| 29TH OF OCTOBER 2020 |

Hi Everybody

We hope you are all well and keeping safe. We are looking forward to welcoming your child back next week for our final term before Christmas. We can't quite believe the year is almost over.

We want to start this newsletter by just reassuring our families that we are doing everything we possibly can to try and prevent any COVID cases within our setting. In order for us to do this we need you to be honest with us about if your child or anybody in your household is ill or experiencing any symptoms. Each day we are noticing a few parents are forgetting to reply to our declaration. If you do not reply to this, we could potentially refuse entry to your child. We also want to remind you about the importance of wearing a mask when dropping off and collecting your child.

We are spending most of our time outside as it's been proven that any type of virus is less likely to spread outdoors. Please make sure your child is coming in warm, waterproof clothes.

If any of you have any concerns surrounding Covid-19 please do not hesitate to get in touch with us.

Moving on, we just want to fill some parents in on what has been going on over the holidays. We have been out and about as much as possible, we have been on adventures to the woods, the park and even to Mill Lakes. Last week was very busy and tiring.

This week we have again been really busy. On Tuesday we purchased tickets to the live theatre broadcast of 'The Snail and the Whale'. It's a shame we couldn't give the children the real experience but we tried our best to make it feel like we really are at the theatre.

We have been painting pumpkins and carrying out lots of other Halloween arts and crafts. We have visited lots of local outdoor parks and nature trails this week too.

On Friday we are going to have a Halloween tea party which the children are really looking forward to.

Clevercooks!

This week should have been our last week for our Clevercooks Programme, however because it has been so successful we are looking to extend this for a little while longer. It has been so fun seeing you all and we really hope that you as parents have enjoyed it too. We would love some feedback to add to our scrapbook. We will be sending out some feedback forms next week and we really hope you have a spare 5 minutes to fill them out and return them to us.

Other news

Over the last few days there has been lots of concern over children being left hungry over the holidays. We really want to help in any way possible. If you are struggling to feed your child or you personally know somebody that is, please don't be ashamed to give us a call to ask for help. Your child doesn't need to attend our setting. We pride ourselves on being a big part of supporting our community and if there was ever a more important time to help it is now!

We hope you all have a lovely week and we look forward to seeing the majority of you back next week!
